The 4AGE is part of a family of engines - there are also 2A, 3A/5A and 7A engines which correspond to 1300, 1500 and 1800 cc capacities respectively. It is possible to mix and match parts within the A-series engines, hence producing a 1300 cc 16 Valve motor, which some people are doing for 1300 cc competition classes, or an 1800 cc supercharged engine...
