and maintained content. While you won't technically find free books on this site, at the time of this writing, over 200,000 pieces of content are available to read.

A Long Line Of Dead

A Long Line of Dead Men is an unusual departure from Block's realistic tales of the New York streets, and I do not believe it is a completely successful one. Still, the central idea of the novel--a gentleman's club with an unusual organizing principle and aim--is as old-fashioned a marvel as anything in Edgar Allan Poe or Arthur Conan Doyle, and Block deserves much credit for the way he brings a gritty feel and considerable credibility to this Arabian Night's style entertainment.

Longline fishing, or longlining, is a commercial fishing technique. It uses a long line, called the main line, with baited hooks attached at intervals by means of branch lines called snoods (or gangions). A snood is a short length of line, attached to the main line using a clip or swivel, with the hook at the other end.
