American Tall Tales

American tall tale. The tall tale is a fundamental element of American folk literature. The tall tale's origins are seen in the bragging contests that often occurred when the rough men of the American frontier gathered. The tales of legendary figures of the Old West, some listed below, owe much to the style of tall tales.

American Tall Tales by Adrien Stoutenburg

American tall tales are a genre of folklore from North America and particularly the frontier during western expansion of the USA. They vary from stories about legendary or fictional individuals to tales of monsters and hazards. Some are based loosely on real people or events while others appear to have been created out of whole cloth: some are the creation of individual authors while others ...
