According to Zillow.com, the median listing price in Miami is \$299,900 while the median sales price is \$238,400. The same situation is almost identical in the Keys, Fort Lauderdale, and even Tampa. This housing market trend for Florida 2019 is not alarming as it's only natural in the current circumstances of a growing economy.

Florida Real Estate Market Trends of 2019: What to Expect ...

Buying a home in a seller's market wouldn't be the worst thing in the world to do in many states in the US. However, in a highly transient state like Florida that has a real estate market that rises and falls like a yo-yo, it can cost you a lot of money if you buy in a seller's market. Most people moving to Florida believe they will enjoy living in the state far longer than what actually ...
