'Catastrophic Care' In America's Health System : NPR

About Catastrophic Care. A visionary investigation that will change the way we think about health care: how and why it is failing, why expanding coverage will actually make things worse, and how our health care can be transformed into a transparent, affordable, successful system.

Catastrophic Care by David Goldhill: 9780345802736 ...

He prescribes a three-pronged system that simultaneously moves incentives for insurers to only truly insure against catastrophic events, for marketplace consumers to save their own money and demand cost-effective care at a basic level and to do all this while managing to either spend the same amount of money we're currently pouring into a broken system or to even save money while doing it.
