known as Civil Defence) is considered an important element of the home front protection elements. Thereby, the States derive its continuity from that protection for the vital core installations in the State and in order to ensure the continuation of its productivity is to fortify the security and tranquility forever.

?????? ???? - Civil Defense
Kuwait

Civil defense (civil defence in UK English) or civil protection is an effort to protect the citizens of a state (generally non-combatants) from military attacks and natural disasters. It uses the principles of emergency operations: prevention, mitigation, preparation, response, or emergency evacuation and recovery. Programs of this sort were initially discussed at least as early as the 1920s ...
