Salesforce with minimized code usage. The book starts with an introduction to Visual Workflows that teaches all the building blocks of creating Flows and use it efficiently.

[PDF] Download Forcecom Enterprise Architecture Second ... The main framework I am using is the TOGAF Architecture Development Methodology. If you are not familiar with TOGAF, I recommend reading up a little on the framework. TOGAF is an approach for designing, planning, implementing, and governing an enterprise information technology environment and is an open standard of The Open Group Architecture.
