The Performance Imperative
And Management Series
focuses on what nonprofits
can do to transform
themselves into “high-
performing” organizations by
upholding and follow these
seven pillars. With each
pillar, the high-performing
organizations and their
leadership teams are tasked
with taking a look at their
operations as a whole and
seeing where improvements
can be made internally for
better external impact.

7 Keys of High Performance Nonprofits - Social Solutions

Nonprofit organizations are

High-performing teams: A timeless leadership topic | McKinsey

The high performance organization is a conceptual framework for organizations that leads to improved, sustainable organizational performance. It is an alternative model to the bureaucratic model known as Taylorism. There is not a clear definition of the high performance organization, but research shows that organizations that fit this model all hold a common set of characteristics. Chief among these is the ability to recognize the need to
