Miles: The Autobiography, like the man himself, holds nothing back. He talks about his battles against drugs and racism, and discusses the many women in his life. But above all, Miles talks about music and musicians, including the legends he has played with over the years: Bird, Dizzy, Monk, Trane, Mingus and many others.

Miles Davis's autobiography takes no pains whatsoever to varnish the author's reputation as a kind and loving human being. By far, the word that appears more often than any other in Miles: The Autobiography , written in partnership with Quincy Troupe, is that 12-letter, four-syllable all-purpose standby for a person who engages in sexual relations with his own mother.
