While it's not impossible to land sync placements by pitching on your own behalf, music publishing companies specialize in exploiting the compositions they represent because of the strong industry relationships they hold and the overall understanding of what music supervisors, (those in charge of picking the music for TV shows, films, ads, etc.), are looking for.

How Music Publishing Works: Music Publishing ...

Some songwriters establish a music publishing company with the intention of publishing only their own material. Songwriters who retain their publishing rights earn both the writer's share and the publisher's share of any income their songs generate. In addition to
