In 2014, My wife and I moved our family moved to a new school district that was incredible to work with. My daughter was starting the 4th grade and we were prepared to fight the school the same way we had to in Maryland, but they were great. They not only agreed with our assessment, but they had already articulated a path forward. It was amazing.

"Our Story"...My Father, myself, and my daughter ...
At first, Armando (my husband) and I started researching tents for the property, we started researching all the rentals we would need to bring in, literally everything would need to bring in to make this happen for our daughter. We had begun clearing the land and as the locals heard what we were doing, they started pitching in.
