Re: Mercury 200 EFI Fuel Pump Issues (First boat blues) There is a mechanical pump that feeds the vapor separator which contains the high pressure pump. Disconnect the fuel hose just after the mechanical pump, point it into a suitable container and have a helper crank the motor while you watch the fuel flow.

LOL Nuts & Bolts and Money Biggest factor now is money really and if I want to keep the boat . I found a new 2014 Optimax 200 for roughly \$10K says its a CPO (?) with 1 year wty, the only thing about mine is we want dual consoles if we had that option our boat would get the full works front to back fully loaded for around \$20k .

Re: 1999 Mercury 200 EFI - intermitent problem I had a intermittent problem with my 2002 merc 115 EFI - not exactly like yours but very frustrating. The engine would cut out for a second and the boat would lurch and then take off again when the engine recovered. This would happen about once in every five times I was out - for about a year.
