Unwinding, also called *harvesting* or *summary division*, is the process of dissecting a human's (mostly teenagers) body parts to be transplanted into different recipients. To some, unwinding became what is considered the substitute for abortion, wherein instead of the abortion of an unborn child...

Unwinding | Unwind Wiki | Fandom

Parents need to know that *Unwind* is the first book in four-part science-fiction saga set in a society that kills teens to obtain body parts for transplants. Amid other violence, there's a very disturbing (though not graphic) scene of dismemberment that makes this book a better choice for teens mature enough to handle this difficult content.

Unwind: Unwind Dystology, Book 1 Book Review

Unwind Summary. After the Second Civil War—which isn't between the North and the South, or even between Katy Perry fans and Taylor Swift fans—the Bill of Life is drafted, a bill that outlaws abortion, but makes it legal to "retroactively 'abort' a child" between the ages of 13 and 18.

Unwind Summary | Shmoop

The author's decision to describe the process is a questionable one—a book's great unknown can leave the strongest impression on a reader—but he executes as precisely as the surgeons who perform the unwinding.

The Unwind Dystology | Neal Shusterman
