The secrets of architectural composition (Book, 2011 ...  
Principles of architectural composition are similar to many artistic endeavours,  
particularly sculpting, since a building is essentially an inhabitable sculpture. These  
include but are not limited to: addition - taking multiple forms and combining to  
form one shape; subtraction - taking one form and carving space out

What are the principals of architectural composition? - Quora  
Composition can be confusing and hard to pin down, you don't really notice good  
composition in a painting it is just there, which is why it is one of my 7 principles of  
painting . The dictionary definition above doesn't necessarily help us. ' the action  
of putting things together ' well, this is true but the actions of putting things ...
