## **The Southern Reach Trilogy Annihilation**

With Annihilation--the first volume of The Southern Reach Trilogy--he carefully creates a yearning for answers, then boldly denies them, reminding us that being too eager to know too much can be dangerous. The story follows an expedition of four women who are known only by their professions: the Psychologist, the Surveyor, the Anthropologist, and the Biologist--nameless pawns tasked with exploring, discovering, and (hopefully) delivering data about a portentous coastal territory called Area X.
