Vm Diesel Engine Parts

VM Engine Parts – Home The VM engine has been in production since 1947 when Claudio Vancini and Ugo Martelli, two innovation Italian engineers produced the first air-cooled diesel engine with direct injection i.e. where fuel is injected into the combustion chamber producing some of the most efficient engines with significant economy of fuel than other engines of their time.

VM Engine Parts – VM Motori – For Genuine VM Motori Parts

Most orders are dispatched within one working day (usually same day or next day). Some engines are more obscure due to their age. Spare parts have to be ordered from the factory then and sometimes there is a wait for the factory to do a production run of spares. This leads to a longer dispatch time.
